Leaving aside Special Projects, I would like you to give me soonest your informal comments on [redacted] paper; just how much by-passing of CCS is going on (1) in ASB areas and (2) in APB. Be frank - if [redacted] doesn't know how much day-to-day liaison occurs between DPD and members of his staff, let's tell him. I think [redacted] is on the right track with his suspicions; CCS may well be looking for a chance to get off the hook as insurance against flap trouble.
